

## Blue Butterfly

Cma7 D  
Blue butterfly, dry off your wings

Cma7 D  
Float on the sunrise that to-morrow brings

Cma7 D  
Somebody loves you, got a reason why

Cma7 D Cma7-D-Cma7-D  
Somebody wants you to keep flying high

Bm [7<sup>th</sup> fret]  
Daring the day, delight ever follows you

A [5<sup>th</sup> fret]  
Weaving your way where wisdom won't worry you

Bm [7<sup>th</sup> fret]  
Laughing in light, no love ever lost to you

A [5<sup>th</sup> fret] A G  
Fly - oh, fly! Fly-y-y

Cma7 D  
Blue butterfly, dry off your wings

Cma7 D  
Walk through the treetops where the west wind sings

Cma7 D  
Somebody loves you, got a reason why

Cma7 D Cma7-D-Cma7-D  
Somebody wants you to keep flying high

Cma7 D  
Blue butterfly - blue-blue-blue-blue-blue butterfly

Somebody loves you, yeah, yeah, yeah

Somebody loves you
